THIS WE BELIEVE

I believe in boys and girls, the men and women of tomorrow. I also believe that whatsoever they sow, they shall reap. The administration at Riverside sincerely hopes we have helped you to sow good seeds which will bring forth a harvest of useful, happy, healthy, self supporting citizens.

May this book be more than a souvenir to you, may it serve as a reminder of happy and profitable school days.

A prayer written by General Douglas McArthur is my wish for you.

"Build me a son, O'Lord, who will be strong enough to know when he is weak and brave enough to face himself when he is afraid; one who will be proud and unbending in honest defeat, but humble and gentle in victory. Build me a son whose wishes will not replace his actions- a son who will know Thee, and that to know himself is the foundation stone of knowledge. Send him, I pray, not in the path of ease and comfort but the stress and spur of difficulties and challenge, here let him learn compassion for those who fail.

Give him humility so that he may always remember the simplicity of true greatness, the open mind of true wisdom, the meekness of true strength; then I; his Father will dare to whisper, "I have not lived in vain."

May 1, 1957

Sincerely yours,

# DEDICATION

Mrs. Regina K. Puchenberry retired from our school on Nov. 30, 1956, after completing thirty years of teaching in the Indian Service. She came to Riverside as an Elementary Teacher July 1, 1933.

Mrs. Puchenberry's native state is Iowa. She attended Drake University, and she holds a B. A. Degree from the Oklahoma College for Women, Chickasha.

The employees of the school and the boys and the girls of Nadarko Cottage, where she had been a Cottage Teacher since 1941, held a farewell party in her honor, when she retired as a teacher at the Riverside School.

We, the Annual Staff, in appreciation of Mrs. Puchenberry's long and faithful service, dedicate the 1956-57 Smoke Dreams Annual.
